I ride to make a difference! I am riding in the **2011 PedalFest** at Heartspring to support children and families with special needs. I will ride to make a difference on **August 28, 2011**! By riding and helping to raise money in support of Heartspring's Pediatric Services Financial Assistance Program, I can make sure that children with special needs will continue to receive the therapies that they so desperately need. I'd like to ask you to make a pledge to support me.
